

## **Accent Building Materials Acquires NATCO Fasteners, Inc.**

Houston, TX – August 7, 2017

Accent Building Materials announced today the acquisition of NATCO Fasteners in Hayward, California. NATCO is a leading distributor of fasteners and fastening solutions in Northern California.

“We are happy to welcome the NATCO team to the Accent family. This acquisition combines NATCO’s establishment in the industry with Accent Building Material’s extensive product line and reputation for service; creating an unparalleled advantage to the industry. We are pleased, Dave Natali will continue to manage the NATCO Fasteners business for us in Northern California,” said Bill Sims, President and CEO of the Accent Family of Companies.

“This move will allow NATCO Fasteners and its customers, employees and vendors to expand and better serve the building materials yards and fastener distribution in Northern California. As an owner of a family business for 36 years I have come to respect the owners and management at Accent Building Materials and believe that they have the same core and family values that everyone has come to know from NATCO Fasteners,” said Dave Natali, President of NATCO Fasteners.

“NATCO is essential in expanding our distribution footprint outside our existing facilities in Houston and Anaheim. Dave and his team will be instrumental in supporting our growth plans into the future,” Troy Irwin, Vice President of Accent Building Materials.

By combining Accent’s Anaheim facility in Southern California and NATCO’s Hayward facility in Northern California, Accent Building Materials will expand their geographical presence and commitment to the west coast building materials industry in fasteners, fastening solutions, concrete accessories, and drywall products.
